Ciderlands is the international network of cider tourism destinations, dedicated to promoting cider culture on a global scale, spanning ten countries and three continents.

On behalf of the County of Herefordshire, The Green Dragon Hotel is proud to host Ciderlands 2019, the inaugural annual gathering of the network. This evening continues a tradition of The Green Dragon bearing witness to momentous occasions.

Back in the 19th century, The Green Dragon was a popular haunt for the Woolhope Naturalists Club, the group of erudite gentlemen who did so much to further our knowledge of pomology. Our menu design pays homage to one created for the dinner of the Woolhope Club's 25th AGM in 1877, when 75 guests dined before 'interesting papers were read'.

We see Ciderlands 2019 marking a new chapter in Herefordshire's rich cider heritage. Our Cider Banquet, with Chef Simon Bolsover's creations partnered with the best ciders and perries from our region, illustrate just one way with which we can share the fascinating culture of cider once more with friends and family from near and far.

This event has been made possible with the support of our generous sponsors:
The Green Dragon Hotel, Museum of Cider, Westons,
National Association of Cider Makers, The Pippin Trust, Heineken | Bulmers,
Three Counties Cider & Perry Association
