Where Asturias smells of apples

PORTADA CON AROMA DE MANZANA. FROTAR LA SUPERFICIE - APPLE-SCENTED COVER. RUB THE SURFACE

A large Tyrannosaurus Rex is the central focus, its head and upper body visible on the left side of the frame. It has a dark, scaly texture and its mouth is slightly open, showing sharp teeth. The background is a scenic landscape at sunset or sunrise, with a warm orange and red sky. In the middle ground, there is a small, old stone church with a bell tower. A small dark horse is grazing in the grassy field in front of the church. On the right side, there are two green glass bottles of cider and a glass filled with cider, with two red apples in front of them.
