(whatsapp://send?text=https://www.gipuzkoaturismoa.eus/en/-/sagardoetx-1)

At Sagardoetxea, the Museum of Basque Cider, you can enjoy the culture of cider, hallmark of the Basques and their customs. Here, in contact with nature, you can learn more... by seeing, touching, and tasting. There are three different areas where visitors can experience for themselves the culture of cider: the orchard, the museum and the tasting centre. Txotx!
