

# PRESS 2 PUB

Local ciders in local pubs

In the tradition of connecting discerning drinkers with the best on offer, Herefordshire CAMRA have set up Press2Pub, a wonderful scheme linking local cider and perry producers with the county's pubs, bars and inns. These places are guaranteed to have local ciders and perries. Visit [www.press2pub.org.uk](http://www.press2pub.org.uk) for maps and updates.
